

## **FOLTABS™ 800**

*800 mcg Folic Acid, 10 mg pyridoxine (Vitamin B-6), and 115 mcg cyanocobalamin (Vitamin B-12)*

### **Description:**

Foltabs™ 800 is intended for oral administration.

### **Each Tablet Contains:**

800 mcg Folic Acid, 10 mg pyridoxine (Vitamin B-6), and 115 mcg cyanocobalamin (Vitamin B-12)

### **Also Contains:**

Dicalcium Phosphate, Microcrystalline Cellulose, Croscarmellose Sodium, Stearic Acid, Silica, Magnesium Stearate.

Coating: Polydextrose, Hypromellose, Titanium Dioxide, FD&C Yellow #10 Aluminum Lake, Triacetin, FD&C Blue #1 Aluminum Lake, Polyethylene Glycol, FD&C Yellow #6 Aluminum Lake.

### **Indication and Usage:**

For dietary supplementation of folic acid and general nutritional support.

### **Contraindications:**

This product is contraindicated in patients with a known hypersensitivity to any of the ingredients.

### **Precautions:**

Folic acid in doses above 0.1 mg daily may obscure pernicious anemia in that hematologic remission can occur while neurological manifestations remain progressive.

### **Adverse Reactions:**

Allergic sensitization following oral and parenteral administration of folic acid has been reported.

### **Pediatric Use:**

Safety and effectiveness in pediatric patients have not been established.

### **Dosage and Administration:**

Adults—one tablet daily or as directed by a physician.

### **How Supplied:**

Foltabs™ 800 are round, green and film-coated. Each tablet is imprinted with "ML" on one side and blank on the other.

Foltabs™ 800 are available in bottles of 60 tablets (NDC# 68308-0325-60).

### **WARNING: KEEP THIS AND ALL MEDICATION OUT OF REACH OF CHILDREN**
